RUSSIAN LOSS HEAVY

TWO THOUSAND ARE KILLED OR
WOUNDED IN A BATTLE AT
HSIUYENCHENG.

JAPANESE DEFEAT RUMORED

GENERAL KUROKI'S YALU RIVER
ARMY IS DRIVEN BACK BY
THE RUSSIANS.

TWO WARSHIPS DESTROYED

ONE SUNK IN COLLISION AND THE
OTHER BY RUSSIAN MINE
OFF PORT ARTHUR.

London, May 20.—The Standard's
correspondent at Tientsin cables that
while the Japanese fleet was covering
the landing of troops near Kaichau on
Monday, a fierce engagement occurred
at Hsiuyencheng. Two thousand Rus-
sians were killed or wounded. The
Russians retreated and the Japanese
occupied both Kaiping and Kaichau.

Newchwang, May 20.—It is reported
from a reliable source that the
Japanese army from the Yalu river
has received a heavy blow and been
driven back to Fenghuancheng.

JAP WARSHIPS SUNK

TWO VESSELS AND SIX HUNDRED
MEN LOST IN DISASTER OFF
PORT ARTHUR.

Tokio, May 20.—Vice Admiral Togo
has reported as follows:

"A report from Rear Admiral Dewa
says that the cruisers Kasuga and
Yoshino collided during a fog off Port
Arthur on May 15. The Yoshino sank,
only ninety of her crew being saved.

"On the same day the battleship
Hatsuse struck a Russian mine and
sank."

Giving details of the disaster Vice
Admiral Togo says:

"At 1:14 in the afternoon of May 15,
in a deep fog off Port Arthur, the
Kasuga rammed the Yoshino, sinking
the latter in a few minutes. Ninety of
her crew were saved.

"The same morning the Hatsuse,
while cruising off Port Arthur, cover-
ing the landing of the soldiers, struck
a mine ten knots southeast of the har-
bor entrance. She signalled for help
and instantly struck another mine.
She sank in half an hour. Three hun-
dred of her crew were saved by tor-
pedo boats."

The Yoshino was a cruiser of 4,180
tons, launched in 1892; crew, 309 men.

The Hatsuse was a battleship of
15,000 tons, launched in 1900; crew,
741 men. Both vessels were built in
England.

REPORT DECLARED UNTRUE.

Battleship Shikishima and Cruiser
Asama Not Destroyed.

Newchwang, May 20.—The report
that the Japanese battleship Shikishima
and cruiser Asama were destroyed
by Russian mines is untrue.

London, May 20.—Special dispatches
from Shanghai to the London morning
papers report that the Shikishima was
sunk while the Fuji and the Asama
had to be towed away badly damaged.

Presumably the Russians wrongly
identified the vessels, the Shikishima
and the Hatsuse being sister ships.

CONTROL VERY BRIEF

RUSSIANS REGAIN POSSESSION
OF THE RAILROAD AND ARE
AGAIN BEATEN.

Chefoo, May 20.—Heavy firing was
heard in the direction of Port Arthur
early this morning. Chinese arriving
from Dalny say that the Russians re-
gained control of the railway, but lost
it again. Port Arthur is well pro-
visioned and prices are only slightly
above normal.

FATES ARE AGAINST THE JAPS.

But They Manage to Keep the Rus-
sians Worried.

St. Petersburg, May 20.—Russians
now say that the fates are against the
Japanese. The latest Japanese move-
ments reported to the general staff,
tend, nevertheless, decidedly to be-
lieve the authorities as to the real intention
of the enemy.

Why General Kuroki should sudden-
ly stop his advance on Haicheng and
Liaooyang when General Kuropatkin
was known to be preparing to with-
draw, is a question partly answered by
the condition of the roads. Beyond
this Kuroki is credited with another
reason which Kuropatkin either has
not discovered or has not communicated

ed to the authorities here. It is sug-
gested by many that it may have
some connection with the landing and
whereabouts of the mysterious Third
army, which has become a bugaboo to
the military strategists.

But whether or not this be true the
fact remains that Kuroki's positions
are such as will enable him strategical-
ly to retain Kuropatkin in the interior
and prevent his interfering with the
operations connected with the clearing
out of Southern Manchuria and the
operations against Port Arthur.

TWO JAP WARSHIPS LOST.

Russians Believe That Perhaps More
Were Sunk.

St. Petersburg, May 20.—The loss of
at least two Japanese warships is offi-
cially confirmed. A message dated
Port Arthur received by carrier pigeon
at Mukden, was transmitted to the
czar early Thursday morning, saying
that two Japanese warships had been
lost off that port. The message fol-
lowed the czar to Koursk and no one
here knew its contents until late
Thursday night, when foreign tele-
grams brought full details of the Japa-
nese loss.

Early in the afternoon reports of the
sinking of the Shikishima and Fuji on
the authority of Russian refugees from
Dalny began to circulate and aroused
intense interest. When later confirma-
tion came of the sinking of at least
two Japanese warships the greatest
enthusiasm was manifested. Without
reference to its effect on the cam-
paign, the people attribute the enemy's
disaster to divine interposition in the
Russian cause.

"It is an offering to Russia upon the
day of ascension and the czar's birth-
day, and it is a sign that God is with
us," was the remark generally heard,
in spite of the fact that the Hatsuse
and the Yoshino were sunk four days
before the czar's birthday.

SYMPATHIZE WITH JAPAN.

British Papers Regret Loss of Her
Warships.

London, May 20.—English newspa-
pers express the greatest regret and
sympathy at Japan's ill luck in losing
two warships. They regard it as due
purely to accident, probably to de-
fect mines, not believing that the Rus-
sians placed mines at such a distance.
Admiration is expressed at the smart-
ness of the Japanese in saving so
many lives from their vessels.

The report that the battleships Shi-
kishima and Fuji were lost appar-
ently rest mainly on the assertions of
Russian refugees who arrived at Che-
foo.

The Post, which is well informed on
Japanese views, thinks that the disas-
ters to the Japanese vessels will lead
Japan to devote her attention to re-
ducing Port Arthur, on the ground that
it is all important that she retain com-
mand of the seas.

The same paper suggests that the
Russians omitted Newchwang, but,
finding the way northward blocked by
Japanese, decided to return to New-
chwang and hold out there as long as
possible in the hope of relief.

Tokio dispatches to the Telegraph
and the Standard say that Admiral
Nashiha was among those saved from
the battleship Hatsuse.

RUSSIAN WARSHIP RUNS ONTO

Paris, May 20.—A correspondent at
St. Petersburg of the Echo de Paris
says:

ed during a fog on the rocks near the
entrance to Vladivostok. Her position
is critical. The crew was saved.

JAPS RUSH OFFENSIVE OPERA-
TIONS BECAUSE RUSSIANS

London, May 20.—A. G. Hales, cor-
respondent of the Daily News, cables
from Tientsin, as follows under date
of May 19:

"It is reported that 70,000 Russians
are marching to the relief of Port Ar-
thur, and the Japanese are consequent-
ly hastening offensive operations.

"Forty-five thousand troops have al-
ready been landed at Kinchau and
Talienwan, thus entirely investing
Port Arthur.

"The Japanese advanced lines are
seven miles from the Russian bat-
teries.

"Skirmishes occur daily along the
railroad.

"It is believed that the Japanese in-
tend attacking Port Arthur with the
entire force when it numbers 50,000
men. They are mounting six-inch
naval guns on steel wheels, with the
object of silencing the Russian bat-
teries.

"The Manchurian railway south of
Harbin is constantly broken by Chinese
marauders, and the Russians threat-
en reprisals.

"The Russians admit that they have
to contend with terrible difficulties
along the whole line."

CLAIM LEGAL STATUS

BOTH OF THE REPUBLICAN CON-
VENTIONS IN WISCONSIN AS-
SERT LEGALITY.

LAFOLLETTE FOR GOVERNOR

PRESENT EXECUTIVE HEADS ONE
TICKET AND SAMUEL A. COOK
HEADS ANOTHER.

Madison, Wis., May 20.—Two con-
ventions, both claiming legal status
by right of delegate majorities holding
prima facie credentials, and both
standing for the election of Roosevelt
as president and asserting themselves
to be regular Republican in nature,
were concluded in Madison last night.

Two state tickets, one headed by
Governor Robert M. La Follette, and
the other by Former Congressman
Samuel A. Cook, are in the field.

Characterized by order and the ab-
sence of strife, the deliberations of
both conventions seem entitled to an
identical degree of recognition. No
clause in the La Follette resolutions
bears relation to any national repre-
sentative except Theodore Roosevelt.
The ticket named by the La Follette
convention included all the present
state officers and the platform differs
from the Cook platform only in the in-
tensity of its declarations in favor of
La Follette reforms.

Since the Baensch and the Cook
delegates deserted the convention to
rally under the banner of Cook, there
has been no dissension in the ranks of
that branch of the party. The organ-
ization candidates and the propaga-
nda went through without a hitch. Gov-
ernor La Follette regards his choice
of the Republican party. His
delegates, according to the state cen-
tral committee's count, numbered
585½.

Indorsed by Senators.

The other convention, endorsed by
Senators John C. Spooner and Joseph
V. Quarles and every congressional
representative, stands ready to back
a state ticket which they declare was
legally nominated by 557 delegates,
holding prima facie credentials. Sena-
tor Spooner voiced the sense of the
convention when he said:

"These delegates sitting here will
not have to stand merely upon the
declaration of this committee on cre-
dentials. Their right to seats here
will be tested and proved."

This means that the courts will be
called on to define this right.

So careful were the Cook and
Baensch adherents to preserve the
standing of Wisconsin in national Re-
publican ranks that they chose the
same electors as did the La Follette
convention. This presages no danger
for the national organization because
of the split. La Follette partisans label
Cook adherents as "party wreckers"
and discontents. Still the party is
united for Theodore Roosevelt. Backed
by willing workers, the Cook adherents
will, they say, carry the Cook banner
to the polls. Supported by a perfect
organization, the La Follette men will
carry the war into every precinct in
the state.

The prospects are as promising for
one as for the other.

THE COOK CONVENTION.

Resolutions Pledge Support of Presi-
dent Roosevelt.

Madison, Wis., May 20.—Indorsed
by the national leaders of the Republi-
cans of Wisconsin, including Senators
Spooner and Quarles and Congressmen
Joseph W. Babcock and Minor, sat-
isfied that their ticket, headed by
Congressman Samuel A. Cook, for gov-
ernor, was chosen by a legally con-
stituted convention, and confident of
success against the La Follette or-
ganization, Wisconsin Republicans
who bolted the Republican state con-
vention, Thursday went on record as
opposed to what they termed "ma-
chine rule and the dominance of per-
sonal ambition."

The convention of those opposed to a third term for La
Follette, included more than 400 dele-
gates who had been pledged to Judge
Emil Baensch, who released them in a
short eloquent speech, the slogan of
which was "Party Peace."

When Judge Baensch sat down,
every delegate was ready to vote for
Cook's nomination. Wild enthusiasm
was aroused by the declaration of the
position of Senator John C. Spooner,
who denounced the La Follette dele-
gates as the bolters and swore al-
liance to the Cook following. In his
speech, which was declared to be one
of the most fiery and impassioned he
ever made, he shouted:

"The manhood of the Republicans
of Wisconsin has been asserted. The
restoration of the party from its down-
trodden position can be accomplished
only by electing this man, in whom
the truth and honor of Wisconsin Re-
publicans is centered."

Senator Quarles and Congressman
Babcock repeated the sentiments of
Wisconsin's senior senator.

Convention Hall Packed.

Fuller Opera House, where the Cook
convention was held, was packed to
the roof. The resolutions adopted
pledge the convention to the support
of President Roosevelt and Senators
Spooner and Quarles. They put the
delegates on record as opposed to
third term nominations, as favoring
fast taxation of railroads, an im-

REV. J. A. HENRY ELECTED.

Presbyterian General Assembly Stam-
pedes to Philadelphia.

Buffalo, N. Y., May 20.—The general
assembly of the Presbyterian church
in the United States was Thursday
stampedes for the Rev. J. Addison
Henry of Philadelphia for moderator.

Dr. Henry was elected unanimously
almost before the other leading candi-
dates for the position knew what was
going on. Three minutes before Dr.
Henry was chosen it was generally
believed that the Rev. James D. Mor-
fat of Washington and Jefferson col-
lege, Washington, Pa., would be elect-
ed on the second ballot, at least. It
was while the friends of Dr. Morfat
and of Dr. H. A. Johnson of New York
were preparing to nominate their candi-
dates that the stampedes for Dr.
Henry started and he was elected with-
in twenty minutes.

Senators Spooner and Quarles, Con-
gressman Babcock and Judge Emil
Baensch were chosen delegates to the
Chicago convention.

Alternates: M. G. Jeffris, Janesville;
Daniel E. Riordan, Eagle River; R.
Meyer, Sheboygan and John Koehler,
Kenosha.

Electors were chosen by the con-
vention identical with those chosen in the
La Follette convention, to prevent any
content relative to the support of
President Roosevelt.

At the evening session the fol-
lowing state officers were nominated:

Lieutenant governor, G. E. Ray, La
Crosse; secretary of state, Nels P.
Holman, Deerfield; state treasurer,
Gustave Wollmeier, Milwaukee; attor-
ney general, Judge D. S. Clauson,
Oconto; railway commissioner, Charles
Barker, Milwaukee; insurance com-
missioner, W. C. Roenitch, Sheboy-
gan.

WOODWARD TO BE REMOVED.

New York, May 20.—The World says
James T. Woodward's removal from
the Democratic ticket will be recom-
mended by the committee of three
eminent lawyers, selected by Chair-
man Cord Meyer to pass upon the
eligibility of national bank directors
to serve as presidential electors. The
committee will soon make its report,
which was practically decided upon
at a meeting Monday.

tensity of its declarations in favor of
La Follette reforms.

Since the Baensch and the Cook
delegates deserted the convention to
ally under the banner of Cook, there
has been no dissension in the ranks of
that branch of the party. The orga-
nization candidates and the propaga-
nda went through without a hitch. Gov-
ernor La Follette regards himself the
choice of the Republican party. His
delegates, according to the state cen-
tral committee's count, numbered
58 1/2.

Indorsed by Senators.

The other convention, endorsed by
Senators John C. Spooner and Joseph
V. Quarles and every congressional
representative, stands ready to back
a state ticket which they declare was
legally nominated by 567 delegates,
holding prima facie credentials. Sena-
tor Spooner voiced the sense of the
convention when he said:

"These delegates sitting here will
not have to stand merely upon the
declaration of this committee on cre-
dentials. Their right to seats here
will be tested and proved."

This means that the courts will be
called on to define this right.

So careful were the Cook and
Baensch adherents to preserve the
standing of Wisconsin in national Re-
publican ranks that they chose the
same electors as did the La Follette
convention. This presages no danger for
the national organization because of
the split. La Follette partisans label
Cook adherents as "party wreckers"
and discontents. Still the party is
united for Theodore Roosevelt. Backed
by willing workers, the Cook adherents
will, they say, carry the Cook banner
to the polls. Supported by a perfect
organization, the La Follette men will
carry the war into every precinct in
the state.

The prospects are as promising for
one as for the other.

THE COOK CONVENTION.

Resolutions Pledge Support of Presi-
dent Roosevelt.

Madison, Wis., May 20.—Indorsed
by the national leaders of the Republi-
cans of Wisconsin, including Senators
Spooner and Quarles and Congressmen
Joseph W. Babcock and Minor; satis-
fied that their ticket, headed by Gov-
ernor Samuel A. Cook, for gov-
ernor, was chosen by a legally con-
stituted convention, and confident of
success against the La Follette or-
ganization, Wisconsin Republicans
who bolted the Republican state con-
vention, Thursday went on record as
opposed to what they termed "ma-
chine rule and the dominance of per-
sonal ambition." The convention of
those opposed to a third term for La-
follette, included more than 400 dele-
gates who had been pledged to Judge
Emil Baensch, who released them in a
short eloquent speech, the slogan of
which was "Party Peace."

When Judge Baensch sat down,
every delegate was ready to vote for
Cook's nomination. With enthusiasm
was aroused by the declaration of the
position of Senator John C. Spooner,
who denounced the La Follette dele-
gates as the bolters and swore alle-
giance to the Cook following. In his
speech, which was declared to be one
of the most fiery and impassioned he
ever made, he shouted:

"The manhood of the Republicans
of Wisconsin has been asserted. The
restoration of the party from its down-
trodden position can be accomplished
only by electing this man, in whom
the truth and honor of Wisconsin Re-
publicans is centered."

Senator Quarles and Congressman
Babcock repeated the sentiments of
Wisconsin's senior senator.

Convention Hall Packed.

Fuller Opera House, where the Cook
convention was held, was packed to
the roof. The resolutions adopted
pledge the convention to the support
of President Roosevelt and Senators
Spooner and Quarles. They put the
delegates on record as opposed to
third term nominations, as favoring
taxation of railroads, an imper-

REV. J. A. HENRY ELECTED.

Presbyterian General Assembly Stamp-
pedes to Philadelphia.

Buffalo, N. Y., May 20.—The general
assembly of the Presbyterian church
in the United States was Thursday
stampeded for the Rev. J. Addison
Henry of Philadelphia for moderator.

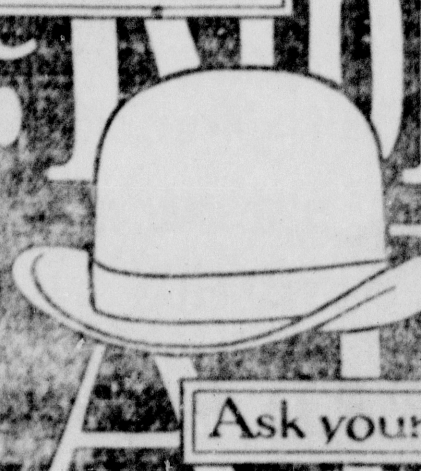

Dr. Henry was elected unanimously
almost before the other leading candi-
dates for the position knew what was
going on. Three minutes before Dr.
Henry was chosen it was generally
believed that the Rev. James D. Mc-
fat of Washington and Jefferson col-
lege, Washington, Pa., would be elect-
ed on the second ballot, at least. It
was while the friends of Dr. Mcfat
and of Dr. H. A. Johnson of New York
were preparing to nominate their can-
didates that the stampede for Dr.
Henry started and he was elected with-
in twenty minutes.

WOODWARD TO BE REMOVED.

Bank Director Not Eligible to Be a

New York, May 20.—The World says
James T. Woodward's removal from
the Democratic ticket will be recom-
mended by the committee of three
eminent lawyers, selected by Chair-
man Cord Meyer to pass upon the
eligibility of national bank directors
to serve as presidential electors. The
committee will soon make its report,
which was practically decided upon
at a meeting Monday.

WALL has shut Hearst out of Wisconsin.

If reports are true the Japs have received a few reverses in the past day or two.

THE strike on the great lakes is liable to send coal sky high, to say nothing of a possible shortage.

WISCONSIN had two republican conventions yesterday and as a result two full state tickets are in the field, both claiming to be "regular." LaFollett heads the regular and Samuel A. Cook the bolters' ticket.

THE Collins managers and the little judge thought it was right and proper for them to declare that Bob Dunn was a corporation man and would submit to the dictation of Jim Hill if he became governor; but when Dunn retaliated by telling some truths about them and how they had solicited Hill for \$25,000 to aid Collins' candidacy, they became highly indignant and some of them have been talking about a third man, "in the interest of party harmony." It looks as though they had become convinced that Collins' chances were hopeless and they were paying the way for swapping candidates again. The Dunn people are saying nothing but are just sawing wood. They have supreme confidence in the candidacy of Bob Dunn and are making steady progress.

THE Arena makes its initial bow to the public today under the new management and THE DISPATCH wishes it abundant success in the field the new proprietors have mapped out for their journalistic venture. As stated in our news columns on Wednesday, the policy of the paper, which has heretofore been democratic, will be independent. This leaves the democratic party without an organ in Brainerd and the assertion is offered by many that the absorption of their party organ means the establishment of a fourth paper in this city. In view of the fact that we are on the eve of a presidential campaign and that a spirited political battle is to be fought locally there is probably some color to these statements.

MARRIAGE VOWS SERVE AS SEQUEL

Between Oscar Borg and the Family of Charles Graber of Oak Lawn

BORG AND GRABER GIRL WED Case in the Municipal Court Was One of the Most Sensational on Record

The docket shows that Judge Sanborn performed the marriage ceremony yesterday afternoon which united holy bonds Oscar Borg and Hattie Graber, both of Oak Lawn township, and thereby hangs a tale which is a sequel to one of the most sensational and disgusting cases ever tried in the municipal court.

Not many weeks ago Borg was arrested charged with bastardy, the father of Hattie Graber being the complaining witness. The case disclosed some startling facts and it wound up disastrously for the defendant as he was held to the grand jury. On the day that the trial was terminated and the defendant was held to the grand jury a child was born to Hattie Graber. After this the twain got together and decided that the best way out of the whole matter was to get married and yesterday they put on their Sunday-go-to-meeting clothes, came to Brainerd and were wed.

There is still a case on the calendar against Borg, brought by Graber for damages to the extent of \$3,015.

BOY BROKE HIS RIBS

Young Son of Conductor and Mrs. Bush Hurt While Playing Ball in the Whittier School Yard

Young Leslie Bush, the eleven-year old son of Conductor and Mrs. Bush, is laid up at his home as a result of a rather serious accident which occurred on the grounds of the Whittier school building day before yesterday. Leslie with some other boys was playing ball and in throwing a ball one of the boys hit Leslie in the ribs. Two ribs were broken and the young fellow is said to have fallen unconscious to the ground where he lay for some time before he was able to wobble into the school building and ask the teacher for permission to go home. When he got home and a doctor as called the injuries to his side were found and the young man will be laid up for some time.

THE ROAD CANNOT BE CLOSED UP NOW

Jury in Case of David L. Young vs C. G. Christiansen Brought in Verdict for Defendant

PERSONAL INJURY SUIT NOW ON

Case of Wesley Small, by His Guardian, Against Brainerd Lumber Co. Taken Up

The case of David L. Young vs C. G. Christiansen which has been on trial in the district court for the past two or three days was finished yesterday afternoon and it was given to the jury shortly after 5 o'clock. The jury returned a verdict finding for the defendant and an important question, involving the right to the use of a piece of road not over 20 rods long, but which effects a large number of people in Bay Lake township, was settled.

The case has been twice tried now, the first time it was tried before Judge McClenahan at the last term of the district court. At that time the plaintiff won out, the jury awarding him damages to the extent of \$25. It was not at that time as now the amount of the verdict that was important but the points involved. The case was again placed on the calendar at this term of court and the plaintiff was allowed to amend the complaint fixing the damages asked at \$175 instead of \$100 as stated in the first complaint.

The action was really brought to determine whether the plaintiff could close up some twenty rods of the road which runs from Aitkin to Brainerd on the north side of Bay Lake and running through the plaintiff's land. The evidence introduced on this point was to the effect that the road had been cut out and had been in use for 18 years and had become by statutory rights as much of a road as any that might have been laid out by the government, in that the law provides that a road when worked for 6 years or over becomes a public highway. It is probable that the case will not end here but that it will be appealed. Attorney A. T. Larson appeared for the plaintiff and Judge Fleming appeared for the defendant.

Last evening just before adjournment Eugenia Horner and David H. Lucas, each charged with adultery, were brought into court to be arraigned. On motion of Attorney W. H. Crowell, for the defendant, the indictment against Mrs. Horner was set aside and an order was made by the court discharging the defendant.

On a plea of guilty D. H. Lucas was sentenced to pay a fine of \$100, or in default of fine to spend 50 days in the county jail. On a showing made that the defendant did not know Mrs. Horner was a married woman, the sentence was made light. W. H. Crowell also represented Mr. Lucas.

This afternoon the case of Wesley Small, an infant, by his guardian ad litem, vs the Brainerd Lumber company was taken up. The plaintiff seeks to recover \$10,000 for the loss of an arm. He was employed at the Brainerd Lumber company mill and got his arm caught in the machinery and it was torn off. W. A. Fleming and L. E. Lum appear for the plaintiff and Davis, Hollister & Wilson, represented in person by Mr. Hollister, represent the defendant company.

MUSIC AND DRAMA.

"THE GAME KEEPER."

Thomas J. Smith established his popularity with the patrons of the Third Avenue theatre years ago and his reappearance yesterday afternoon and evening in his romantic Irish comedy drama, "The Game Keeper," furnished the occasion for two overflowing houses. The story of "The Game Keeper" is an interesting one that furnishes strong dramatic situations and plenty of opportunity for the star to display his singing qualities and his versatile talents as a light comedian. The dialogue is rich and spicy with Irish witticism and with clever touches of pathos, sentiment and tragedy here and there throughout the four acts, the interest in the play and its outcome never lags from the beginning to the end.—Seattle Post-Intelligencer, April 4, 1904.

"The Gamekeeper" comes to the Brainerd opera house next Monday, May 23. Seats will be placed on sale tomorrow at Dunn's.

Fire Sale of Millinery.

Commencing tomorrow Mrs. J. K. Pearce will have a fire sale that will be something out of the ordinary. The millinery goods that were removed from the Pearce building during the recent conflagration were but slightly damaged, but enough so that they may be put in the list with other fire sale goods. The sale of millinery will therefore be the cheapest that has been advertised in this city in a long time.

WILL GO TO WALKER

Brainerd Lodge of Elk Members and their Families Will Go To Popular Summer Resort on June 22.

There has been considerable interest in knowing where the Elks would go this summer for their annual excursion. Last year they went to Walker and the entertainment committee decided to go there again this year, but there was some talk a short time ago that they might go to Bemidji. The proposition from Bemidji came to late, however, as arrangements to go to Walker had too far progressed to make a change. The proposition to go Bemidji next year is being strongly talked up.

The date of the excursion to Walker will be June 22.

Mrs. J. H. Zellers of 63 Main st says: "I believe that after what Doan's Kidney Pills did for me they will help anyone similarly troubled. Before using them, I suffered for six months from my kidneys there was a miserable feeling of pressure over those organs and the secretions were scanty. Besides this there was a heavy pain across the small of my back. A box of Doan's Kidney Pills were gotten at the nearest drug store and as I was glad to try anything to obtain relief. I took the pills and really they acted like a charm. I can truthfully say that I have not a symptom since. In my old condition I could not do a half day's work without my back giving me no end of trouble." Sold for 50 cents a box at H. P. Dunn & Co., and all druggists. Foster-Milburn Co., Buffalo, N. THREE NEW BISHOPS

METHODIST GENERAL CONFERENCE NOW HAS BUT FOUR MORE TO ELECT.

WISCONSIN MAN IS CHOSEN

BISHOP J. W. BASHFORD A GRADUATE OF THE UNIVERSITY OF THAT STATE.

Los Angeles, Cal., May 20.—Three additional bishops were elected Thursday at the Methodist general conference, Dr. W. F. McDowell, New York, and Dr. Henry Spellmeyer, Newark, N. J., on the second ballot, which was announced at the morning session, and Dr. J. W. Bashford, Delaware, O., chosen on the fourth ballot late in the afternoon. The third ballot resulted in no election.

Dr. Joseph F. Berry of Chicago was elected bishop Wednesday, leaving four of the eight bishops to be elected. The fifth ballot was taken just before adjournment and as a result it is reasonably certain that Dr. William Burt is elected as the fifth bishop and perhaps Dr. T. B. Neely a sixth.

Bishop Spellmeyer has been a pastor during all his ministerial career. Dr. W. F. McDowell is the youngest of the four bishops thus far chosen. He is forty-two years old and for the past five years has been secretary of the board of education.

Bishop James W. Bashford is forty-eight years old, a native of Wisconsin, and a graduate of Wisconsin university.

CHINA GETS NOTIFICATION.

United States Claims Right to Send Warships to Inland Waters.

Washington, May 20.—China has been informed that the Washington government claims the right to send warships not only to the Chinese treaty ports declared by treaty to be open to the world, but to the inland waters of China, "wherever Americans may be and where by treaty with China they are authorized to engage in business or to reside for the purpose of spreading the Gospel."

This action is held to be in strict accord with the provisions of the favored nation clause of our treaty with China and also with precedents established by other naval powers.

The announcement was brought about by receipt of correspondence in Washington between Rear Admiral Evans and Minister Conger at Peking.

The Chinese government protested against the visit of the gunboat Villalobos last summer in the Yangtze valley, whither she was ordered by Admiral Evans to gather such information about the Americans residing there as would be of assistance in rendering them prompt assistance in case of an expected native outbreak against foreigners.

Admiral Evans maintains he had the right to send the gunboat there, and she went, despite the protests of China.

REFUSE TO GIVE IN.

Vesselmen Resist Demands of Their Employers.

Cleveland, O., May 20.—By a unanimous vote the Lake Carriers' association at their meeting Thursday approved and endorsed the action of its executive committee in refusing the demands of the Masters and Pilots' association and passed resolutions declaring it to be the sense of the members to continue the fight and to offer no concessions.

The meeting was very largely attended, practically all the big vessel owners being personally present. Vessel property to the value of \$60,000,000 was represented. The policy will be to deal with the masters and pilots individually and if the latter will not accept employment as such to keep the boats tied up until the fight shall be won by the owners.

AMBASSADOR TO BE RECALLED.

France Will Suspend His Services at the Vatican.

Paris, May 20.—The council of ministers has practically decided to recall M. Nisard, French ambassador to the vatican at Rome. This action is said to result from the pope's protest against President Loubet's visit to Rome.

It is stated in official circles that the recall of M. Nisard does not mean a complete severance of diplomatic relations with the vatican but the indefinite suspension of M. Nisard's service. Besides an ambassador, France has a minister at the vatican, Count de Navenne, who will continue to carry on formal business.

WISCONSIN MAN SUICIDES.

Cuts His Throat With a Razor in a Hospital.

Appleton, Wis., May 20.—M. P. Griswold, lying in bed at St. Elizabeth's hospital, Thursday fatally cut his throat with a razor, which he secured under pretense of wanting to shave himself. A few minutes before he cut his throat he had received word that Governor La Follette had been renominated for governor of Wisconsin. He was a bitter political enemy of Governor La Follette.

LYNCH AGAIN ELECTED.

Defeated Hawkes for Presidency of Typographical Union.

Indianapolis, May 20.—The Star says the present administration of the International Typographical union was endorsed by the membership of the craft in Wednesday's election and James M. Lynch was elected by a majority of between 3,000 and 5,000 over C. E. Hawkes of Chicago. J. W. Bramwood was re-elected secretary by a majority of between 12,000 and 15,000.

BREAK DUE TO OCCUR

ILLINOIS REPUBLICANS BECOMING WEARY OF THE LONG DEADLOCK.

Springfield, Ill., May 20.—For the first time since the beginning of the deadlock in the Illinois Republican state convention the delegates Thursday showed evidence of breaking away and there was last night a disposition to disregard the leadership. Many of the delegates left town in the afternoon and some of them declared they would not come back until some of the gubernatorial candidates got out of the race and made it possible to break the deadlock. Their votes were cast by the more faithful of the delegates, in some instances a single delegate voting an entire county. The feeling of unrest found vent in a resolution that the convention proceed to the nomination of candidates for other offices than that of governor, but the proposal was defeated.

The prolonged fight is bearing heavily on the men who want the smaller places. All of them have been maintaining headquarters which cost them from \$50 to \$100 a day and as the salaries of state officers in Illinois are small, even the successful candidate will be behind in a financial way when the convention adjourns. Some of them closed headquarters Thursday.

The ballots were taken without appreciable change in the result. Sherman men continued to vote for Deussen most of the day, but Deussen made no further gains and on the last ballot at night Sherman's men returned to him.

FOR A THIRD TIME.

Robert M. La Follette Heads a Republican State Ticket.

Madison, Wis., May 20.—Governor Robert M. La Follette Thursday was selected for a third time to head a Republican state ticket of Wisconsin. This time, however, he received the nomination at the hands of a convention composed of 585 delegates, whereas the call for the convention provided for 1,955 delegates. The remainder of the delegates, with a considerable number of delegates who had been unseated by the La Follette convention, named an opposition ticket. With the absence of the least taint of opposition, every question which came before the La Follette convention went through with a rush, not a dissenting vote or objection being offered to a single proposal.

After his nomination Governor La Follette appeared before the convention. After being cheered for several minutes, the governor made a speech of acceptance in which he reviewed the work of his two administrations and secured the opposition for failure to carry out the promises contained in the party platform. The resolutions adopted endorsed the national and the state administrations.
